

**ORGANIZATION'S OWNERSHIP HISTORY,  
COMMUNITY SERVED & HEALTH SERVICES PROVIDED:**

DISC Surgical Center at Newport Beach is an ambulatory surgery center that has been operational since November 2011.

Modeled after Diagnostic and Interventional Surgery Center in Marina del Rey, the center was created to provide a high level of care for spinal surgery and pain management services in a specialty surgical center for the community of Orange County, California and its environs for outpatient surgical procedures.

It will provide services for adults that are in generally good health. The community it serves is multi-gender and multicultural.

DISC surgery center at Newport Beach is jointly owned by Surgical Care Affiliates, LLC and DISC Sports & Spine at Newport Beach, AMC and is operated by a Governing Body.
